EXCELLENT!

By violet alexander

I have been a teacher at British schools in South America for over 30 years and this is the best and most complete book I have found to help them with the grammar in a pleasant and easy to understand way. I wouldn't recommend any other as well as the other L. G. Alexander books which as just as good.

I like it

By maurice penzo

I am satisfied with the delivery. The book was in the good condition. I am looking for the CD's with the passages and drills for this course.
